

G-3660 4.5" 20W Outdoor All Weather Waterproof Landscape Garden Speaker

Product ID: G-3660

Short Description

Rated power: 20W

Line input: 100V

Plastic material, waterproof IP66

Description

This landscape garden speaker is coming with a 100V transformer, which is realized in a high-voltage, low-current mode, which makes longer distance transmission and parallel connection of multiple loudspeakers possible.

LYINTL**G-3660****Outdoor Waterproof Landscape Speaker****Rated power: 20W/100V****Speaker driver: 4.5"****All weather resistant**<http://www.lyintl.com>

High quality engineering plastic enclosure, weatherproof and heavy damage proof finish.

Easy and secure installation in outdoor area.

It is a good ideal choice for industrial and commercial applications in the outdoor area such as parks and zoos where background music and paging is needed.

Specification

Model	G-3660
