

SUB-2008D 8" Double Driver Powered Active Subwoofer

Product ID: SUB-2008D

Short Description

Double 8" driver (1 active + 1 passive)

Rated power: 150W (Max: 300W)

Piano lacquered wooden case

Description

World Class Digital Amplifier Technology

This powered subwoofer incorporates the latest digital amplifier technology to maximize performance while generating very little heat.

Tuned System Performance

Rear mounted volume control, low pass crossover, phase control and APP controlled DSP (**available on DSP version**) ensure optimal system integration.

Signal Sensing

When Auto Signal Sense is selected the subwoofer will automatically switch to a power saving stand-by mode if not input signal is detected for approximately 15 minutes. Power will turn on once again when signal is detected through the input jacks.

Cabinet

An attractive furniture quality solid cabinet provides the foundation for high sound quality and clarity.

Descriptions

? Double 8" driver (1 active + 1 passive)

? Rated power: 150W (300W Dynamic)

? Piano lacquered wooden case

? Build-in DSP with App control (**available on DSP version**)

Specifications

Item	SUB-2008DSP(D)
Power	300W Dynamic
Active woofer	1x8"
Passive woofer	1x8"
Input	L&R / low level
Input sensitivity	200mV
T.H.D	<1%
S/N	<87dB
Output noise	<2mV
DSP	Build-in DSP with App control (available on DSP version)
Frequency response	20-160Hz
Phase	0-180°

Finish	Piano lacquered wooden case
Power supply	100-120V AC / 220-240V AC
Dimension (mm)	267(W)x280(D)x306(H)
Net weight (Kg)	7.55Kg
